JANUARY/FEBRUARY 2023

CALLANDER BAY EMC
CALLANDER ON

Dear Praying Friends,

Because our office has been busy with end of the year accounting and sending out 2022 tax receipts, getting our list of donors for January and February was delayed. But that doesn't mean we weren't busy doing ministry during the last couple of months. We're glad to be able to share some of that with you now.

Starting in January, we did four local Grand Prix events plus the Grand Prix Open in the National Capital Region. And we have another local Grand Prix coming up at the end of March. Dave also had the opportunity to represent Awana at a special Sunday service in Bradford that our host church there had arranged to recognize the various service organizations in the community*.

A lot of preparation has gone into this year's Virtual Bible Quiz. We will probably not have as many churches participating this year due to the fact that more of them will be quizzing live and in-person. *We rejoice because that is happening again!* And speaking of live quizzing Rebekah Bock held a live Bible Quiz in Markham this month and we are preparing for the one in Ottawa near the end of April.

Your participation with us in reaching out to kids and parents is a vital link to what God is doing through Awana. Thanks for praying! Thanks for giving! Thank you so much!

Because Kids Matter to God,

Dave & Joyce Kinsey

**Dave was allotted the same amount of time to speak as was the mayor of Bradford.*
