Here are a few more members of our missionary team that we would like to introduce you to!

Jayden

I grew up in a rough neighbourhood as a child, and was around drugs my entire life. I came to know Christ in my teen years and would struggle with addiction, but Jesus never gave up on me; He pulled me out of the waters and delivered me from my addictions. Once I confessed and repented of my sins and pursued Christ 110%, I knew right in that moment that I needed to share my testimony with other fellow addicts. I wanted them to have what I had and that was a personal relationship with Christ Jesus. I've always loved helping people, God put on my heart that I was to work in this ministry, to share what He has done in my life with all the clients, to show them they are not alone, that I was once where they were and God pulled me out! At the end of the day Holy Spirit has me here for a reason and I couldn't be happier to be a part of His ministry.

Angel

Since my childhood I wanted to do God's ministry. As I am from India I thought I would be involved in any Indian ministry. But God's plan was different. He opened ways for me to study in Canada with the course I wanted to pursue. I asked God to give me a ministry based job as full-time even before coming to Canada. On my first semester in college I came to know about Hope Awaits. Hearing about this place, I thought it is an ideal place to work. I didn't have any hope that I would get a job at Hope Awaits but still I just asked God that if it was His will and if He wanted to place me there give me a job in Hope Awaits Ministries. Soon after the completion of my course, when I was eligible to work full time I got job at Hope Awaits. God brought each and everything into place in the right time. The bible says "He will give you the desires of your heart". So, I am more grateful to God in giving me an opportunity to work for Him and share the gospel.

Glory be to God!
