## Worship

Listen to a Worship song (If you need suggestions, you can use one from the YouTube Playlist for this week) or express something that you are thankful to God for.

## Welcome

Check In – How is everyone doing (good things, teaching applied, lessons learned, prayers answered)?

## Word

- What noise do you find distracting or annoying?
- Read John 10:27. What does this scripture say to you?
- How do you typically respond when you feel like you cannot hear from God? How should you respond during those times?
- Can you think of a moment when, looking back, you are certain that God was speaking to you? What did he say?
- On Sunday we heard that God speaks to us through multiple ways: creation, conscience, circumstances, prayer, the Bible, the church, people, dreams, and media. In which of these ways do you regularly experience God speaking to you? In which of these ways do you rarely experience God speaking to you? Are there other ways that you have heard God's voice?
- How does God speak to us in the silence? Why is silence so hard to achieve today, and how can you take steps to create daily times of silence and hearing from God?
- Idea: Maybe purchase a journal and begin to write down some of the things that God is speaking to you.

## Witness

- What is God speaking to you in regards to reaching the people you have committed to pray for to come to know Jesus?

## Prayer

Take some time to pray that we will be more attentive to God's voice. Pray for any other prayer requests you have.
