

# HOPE AWAITS

## MINISTRIES

### QUICK STATS

- From Sept 1-Nov 16 we have handed out 1,297 Care Packages! (Ave 118/wk)
- In September and October we had 8 different men stay at the shelter
- 1 man moved out successfully
- 7 were still in the program at the end of October

### Postal Strike Update

As you may have heard, Canada Post is currently on strike. This means that mail services have been disrupted, and nothing is being sorted or delivered.

What does that mean for Hope Awaits? Unfortunately, if you normally donate to the ministry via cheque sent through the mail, we are unable to receive your donation. However, the good news is that you can still donate! Donations can be

made by credit card by visiting our website ([hopeawaitsministries.com](http://hopeawaitsministries.com)), or by sending an e-transfer to [hopeawaitsdonation@outlook.com](mailto:hopeawaitsdonation@outlook.com). If you would like help setting up auto withdraw or navigating how to make a donation online, please feel free to email me ([deving@hopeawaitsministries.com](mailto:deving@hopeawaitsministries.com)), providing your phone number, I will contact you directly. Cheques can still be dropped off at Hope Awaits (390 First Ave E, North Bay) in our locked mailbox

*"To see men filled with hope and transformed by the love, grace, and power of God."*

or handed directly to a staff member. Thank you for your understanding and continued support!

God bless,

Devin Groff  
Executive Director

## Care Package Update

Each day we had our packages of food (and often clothing) to those in need who are living on the streets. This ministry opportunity exploded beginning in 2022, and so far this year we have distributed over 6,200 packages! This has given us an opportunity to connect with many people that do not stay at our shelter.

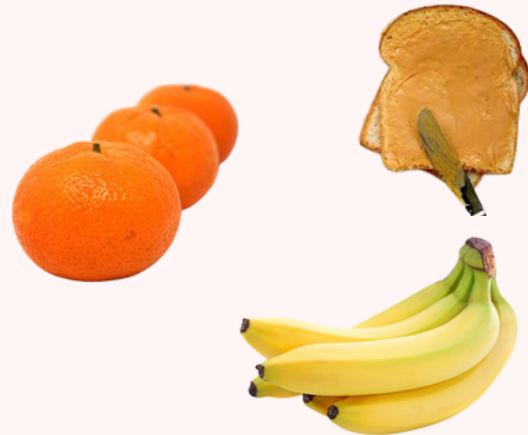

Recently, we have updated what we give out in our packages. The core of our packages are still the same, but we now include fruit as a healthy way to obtain needed electrolytes.

We currently accept and appreciate donations of all of the following for the care packages:

- Water Bottles
- Granola Bars
- Sandwich Materials (Peanut Butter, Jam, etc.)
- Bananas
- Clementines/Oranges

# NEEDS

- GLOVES
- DRYWALL REPAIR HELP
- GRANOLA BARS
- NAPKINS
