Chair Removal: Callander Bay Church is moving forward with making the Sanctuary ramp door more accessible for wheel chair access. In order to make, and keep it handicap accessible, the back row of chairs along the wall will be removed. The last row of chairs in the pew will be unlocked and spaced a chair width apart to make it easier to access them by our less mobile members. A spot will be kept clear for a wheel chair to park near the door. We are sorry if this causes any anxiety issues to those who have always sat in that area. All consideration will be taken to help everyone adjust to the new layout. Please do not pull a chair back to the wall. Thank You.
